For Handside & Peartree

GEMMA HAS THE SKILLS, EXPERIENCE AND VISION THAT HANDSIDE & PEARTREE NEEDS

Dear Fellow Lib Dem,

I've been proud to represent the residents of Handside Ward since 2022 and would love to step up as County Councillor for Handside and Peartree in 2025.

Our Handside borough councillor team have worked hard to build strong relationships across our communities, to listen to all views and champion change. I'm relishing the chance to bring that energy and focus to the County Council role.

Winning Handside & Peartree is really important to us all, which is why I'm standing. I really believe I have what it takes to win!
